

STATE OF MINNESOTA

Executive Department

Governor Tim Walz

Emergency Executive Order 20-65

Implementing a Temporary Nighttime Curfew in the Cities of Minneapolis and Saint Paul

I, Tim Walz, Governor of the State of Minnesota, by the authority vested in me by the Constitution and applicable statutes, issue the following Executive Order:

On May 25, 2020, George Floyd died while in custody of the Minneapolis Police Department. Our state watched Mr. Floyd's humanity be erased. Since Mr. Floyd's death, thousands of Minnesotans have expressed their frustration in a peaceful and constructive manner. Demonstrators have gathered in Minneapolis, Saint Paul, and surrounding communities to protest Mr. Floyd's death. Peaceful demonstrations are essential to our democratic system.

Unfortunately, some individuals have engaged in unlawful and dangerous activity, including arson, rioting, looting, and damaging public and private property. These activities threaten the safety of lawful demonstrators, the surrounding communities, and first responders—and Minnesotans have already been injured. Many businesses, including those owned by people of color, have suffered damage as a result of this unlawful activity.

In response to the widespread civil unrest and unlawful activity in Minneapolis, Saint Paul, and surrounding communities, I declared a peacetime emergency and activated the Minnesota National Guard on May 28, 2020. Destructive and dangerous activity has continued. Individuals have looted businesses, destroyed residential buildings, and set a precinct police station on fire. This senseless violence tears at the fabric of our society. Indiscriminate destruction is not the tribute owed to Mr. Floyd, and it does not reflect our values as Minnesotans. We must restore peace and safety immediately.

Because much of the destruction and violence has taken place under the cover of darkness, we must implement a temporary nighttime curfew, in coordination with the Cities of Minneapolis and Saint Paul, to ensure public safety.

In Minnesota Statutes 2019, section 12.02, the Minnesota Legislature conferred upon the Governor emergency powers to “generally protect the public peace, health, and safety” and to “preserve the lives and property of the people of the state.” Pursuant to Minnesota Statutes 2019,

section 12.21, subdivision 1, the Governor has general authority to control the state’s emergency management and to carry out the provisions of Minnesota’s Emergency Management Act.

Minnesota Statutes 2019, section 12.21, subdivision 3(7), authorizes the Governor to cooperate with federal and state agencies in “matters pertaining to the emergency management of the state and nation.” This includes “the direction or control of . . . the conduct of persons in the state, including entrance or exit from any stricken or threatened public place, occupancy of facilities, and the movement and cessation of movement of pedestrians, vehicular traffic, and all forms of private and public transportation during, prior, and subsequent to . . . actual emergencies.” This authority also extends to the direction and control of “public meetings or gatherings.”

Pursuant to Minnesota Statutes 2019, section 12.21, subdivision 3(1), the Governor may “make, amend, and rescind the necessary orders and rules to carry out the provisions” of Minnesota Statutes 2019, Chapter 12. When approved by the Executive Council and filed in the Office of the Secretary of State, such orders and rules have the force and effect of law during the peacetime emergency. Any inconsistent rules or ordinances of any agency or political subdivision of the state are suspended during the pendency of the emergency.

For these reasons, I order as follows:

1. **Nighttime Curfew.** A curfew is imposed in all public places within the City of Minneapolis and the City of Saint Paul during the following times:
 - a. From 8:00 pm on Friday, May 29, 2020 until 6:00 am on Saturday, May 30, 2020.
 - b. From 8:00 pm on Saturday, May 30, 2020 until 6:00 am on Sunday, May 31, 2020.
2. **Travel Prohibited.** During the curfew, all persons must not travel on any public street or in any public place.
3. **Exemptions.** All law enforcement, fire, medical personnel, and members of the news media, as well as other personnel authorized by the City of Minneapolis, City of Saint Paul, Minnesota Department of Public Safety, Minnesota State Patrol, or Minnesota National Guard, are exempt from the curfew. Individuals traveling directly to and from work, seeking emergency care, fleeing dangerous circumstances, or experiencing homelessness are also exempt.
4. **Definitions.**
 - a. For the purposes of this Executive Order, “travel” includes, without limitation, travel on foot, bicycle, skateboard, scooter, motorcycle, automobile, public transit, or any other mode of transporting a person from one location to another.
 - b. For the purposes of this Executive Order, a “public place” is any place, whether on privately or publicly owned property, accessible to the general

public, including but not limited to public streets and roads, alleys, highways, driveways, sidewalks, parks, vacant lots, and unsupervised property.

5. **Enforcement.** I urge all Minnesotans to voluntarily comply with this Executive Order. Pursuant to Minnesota Statutes 2019, section 12.45, an individual who willfully violates this Executive Order is guilty of a misdemeanor and upon conviction must be punished by a fine not to exceed \$1,000 or by imprisonment for not more than 90 days.

Pursuant to Minnesota Statutes 2019, section 4.035, subdivision 2, and section 12.32, this Executive Order is effective immediately upon approval by the Executive Council. It expires on May 31, 2020 at 6:00 am or until it is rescinded by proper authority.

A determination that any provision of this Executive Order is invalid will not affect the enforceability of any other provision of this Executive Order. Rather, the invalid provision will be modified to the extent necessary so that it is enforceable.

Signed on May 29, 2020.
